SEC. 2. No owner, tenant, or occupant of any premises within the city of Phoenix shall hereafter erect or construct thereon any barn, stable, or corral within the city of Phoenix, whether public or private, within 20 feet of any bedroom or room or place used for sleeping purposes, or of any door or window of any dining room, lunch counter, or lunch room within the city of Phoenix unless and until the said premises so used for the keeping of such animals and live stock shall be securely screened or shut off from the view of such bedroom, dining room, lunch counter, or lunch room by a solid and substantial wall of sufficient height and thickness to prevent persons occupying or using such bedroom, dining room, lunch counter, or lunch room from being annoyed by the view of or the odors arising from such premises so occupied and used for the keeping of such animals and live stock.

SEC. 3. It shall be the duty of every person owning, controlling, operating, or having in charge any public or private corral, stable, barn, or place where horses, mules, asses, cattle, sheep, goats, swine, poultry, or other live stock are kept to have and maintain at all times upon the premises in or adjacent to such corral, stable, barn, or place a receptacle of sufficient dimensions, which shall be fly-tight, for the purpose of containing the dropping of manure from such stock, which said receptacle shall have a top or lid so arranged and maintained as to be fly-tight and to exclude therefrom all flies; and such owner, tenant, or occupant shall promptly deposit therein all droppings from such stock, and shall keep the lid thereof closed (except when necessarily open for the purpose of depositing thereon or remove therefrom) in such manner as to prevent the ingress and egress of flies thereto and therefrom, and every such owner, tenant, and occupant within the city of Phoenix shall cause the contents of such receptacle to be removed from the premises at least once a week, and oftener if required by the city health officer; and no such manure shall be transported over or along any public street or way within the city of Phoenix except in a tight vehicle, which, if not inclosed, must be covered with canvas or other suitable material, so as to prevent the falling of the manure therefrom and the access of flies thereto.

And any such premises which are not at all times kept and maintained so covered, closed, protected, cleaned, drained, and disinfected as to prevent any and all offensive and noxious gases and odors arising therefrom, or which are allowed or suffered to become a breeding place for flies and insects or to become offensive or obnoxious to the residents in the immediate neighborhood are hereby declared to be nuisances and subject to summary abatement, and in addition to such abatement the person or persons in charge or control thereof, or responsible therefor, shall be guilty of a misdemeanor and punishable as hereinafter provided.

SEC. 6. Each person, firm, association, and corporation that shall violate or fail to comply with the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than \$5 nor more than \$50 for each offense, and each day or portion thereof during which such violation or failure continues shall be deemed, and is hereby declared to be, a separate offense within the purview of this ordinance.
